# PRODUCT FEATURES

- Constructed with 2" insulated sections
- Corrosion and rust resistant 26 gauge hot-dipped galvanized steel
- Custom composite moldings bonded to the embossed face to give the look of a wood carriage door
- Will not split, crack or warp like wood
- Sections are manufactured with tongue and groove rails for strength and exceptional sealing from the weather
- Premium hardware such as steel ball-bearing rollers and heavy gauge track and hinges are used for continuous performance
- Most door sizes available with optional windows

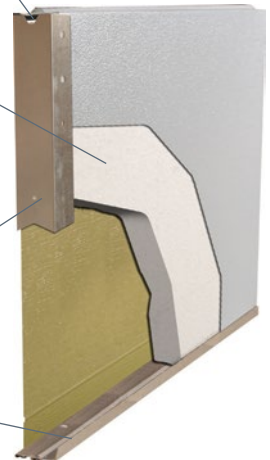

Tongue and groove meeting rails

CFC free expanded polystyrene insulation

20 gauge hot dipped galvanized steel end cap

Rigid aluminum retainer

## DECORATIVE HARDWARE

## DOOR COLORS

Homestead Garage Doors are hand-crafted with elegance, while offering convenience and strength. In order to keep them in excellent condition, we offer the following care instructions.:

**CLEANING:** Clean regularly with warm, soapy water and soft cloth only. Do not use a harsh cleanser or power washer.

**PAINTING:** Use high quality exterior acrylic latex paint. Follow paint manufacturer's instructions for application.

**MAINTENANCE:** Although you should conduct monthly safety checks and provide regular limited maintenance, an annual visit from a trained door technician can keep your door operating safely and smoothly for years to come. Ask us for a ProDoor dealer near you.
